THE VENUE

Euridge Manor

"Where fairy-tales are created

Euridge Manor is a luxurious, private country estate nestled in the heart of the Cotswolds. Only available for exclusive hire, the manor is a breathtakingly unique choice for weddings, corporate events and bespoke occasions.

The building was designed by master garden designers and builders, Isabel and Julian Bannerman, as part of a monastery-inspired transformation of the Wiltshire farmhouse at the heart of the estate. The project was lovingly curated by its owner who has lived in the property for four decades.

Every step, scent and stone was hand-picked from different corners of the world to create a space that tells a captivating story in every season of the year.

"Incredible service from start to finish. The food over the whole weekend was amazing.

Knowing that all aspects of the weekend were taken care of made our life so much easier.

The team were super responsive to any requests and changes we asked for. Could not recommend more highly!"
